

Accountant Services

Upgrade your accounting department's capacity while reducing your costs.

One of our experienced accountants works on site at your organization to provide the accounting services you need, from day-to-day operations to activities you need weekly, monthly or just during tax times. With the right financial staff and systems, you have the timely, accurate information you need at your fingertips.

Beyond the Bottom Line accountants are available whenever you need us, for as long as you need us.

Choose the customized accounting services you need with no lengthy contract. Dozens of nonprofit organizations, social enterprises and businesses have depended on Beyond the Bottom Line accountants to deliver the accuracy and credibility their boards of directors are looking for.

Results you achieve with our outsourced Accounting Services:

- Expert accounting personnel — not just automated systems or harried clerical personnel — who are committed to your organization.
- Accurate accounting transactions.
- Accurate monthly reports to assure that the numbers you need are always on hand.
- Increased efficiency of your accounting department, which leads to reduced costs, too.
- Comprehensive tax calendar and schedules so all taxes are paid on a timely basis.

Our most popular services include:

- Create chart of accounts for organized and properly coded financial entries
- Keep general ledger accounts and document all transactions
- Post accounts payable and maintain vendor files
- Manage invoicing and accounts receivable
- Manage payroll
- Reconcile bank accounts
- Maintain Journal Entry log and backup documentation
- Maintain tax calendar and schedules to ensure that all taxes are paid on a timely basis
- Help resolve accounting discrepancies

You don't have to choose between a better world and the bottom line.

Beyond the Bottom Line helps nonprofits and social enterprises take control of their numbers so they can achieve greater financial success. Through financial assessments, interim CFO services, executive searches and outsourced accounting services, BTBL operates as an objective, hands-on financial partner on an as-needed basis. Since 1998, our executive-level professionals have filled leadership and advisory roles for more than 175 organizations.
